### Planning Application- Hatton Lane Farm

A planning application for the demolition of all buildings on the site of Hatton Lane Farm, and for the construction of a large house with outbuildings was submitted to Warrington Borough Council.

Originally Planning Permission for the conversion of the existing barns to residential use had been granted, but this was never carried out.

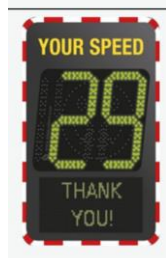

The Parish Council did not make any comment to Warrington Borough Council on the application which is likely to be decided later this year.

### Speed Signs Come to Hatton

Following concerns from residents, the Parish Council have purchased two speed signs to be installed on Hatton Lane and Warrington Road.

The signs will be a deterrent for speeding motorists and provide us with information about speeding through the village.

We expect them to be up and running by December.

## Hatton Golf Society

15 Village Golfers enjoyed a great day of golf on Sunday 29<sup>th</sup> September at Hartford Golf Club. Starting with bacon barmes and coffee, followed by two loops of the 9-hole course, and a meal served in the Club restaurant.

The winner on the day was Phil Young with a creditable 35 points, in 2<sup>nd</sup> place with 31 points was our very own Betty Crew, and in a back 9-hole card play-off, one of 5 players on 30 points was Paul Green.

However, the player with the best aggregate score over the season was Tony Ainsworth who was presented with the Hatton Village Golf trophy by Paul Green. Watch out for the 2025 venues, to be announced later in the year.
